## Sarah Harwood's visit

A staff nurse from Australia associated with Sanjiwani Public Health Mission Nepal visited Ghandruk on 8<sup>th</sup> of October 2018 until 12<sup>th</sup> of October 2018. Her came to share her idea at the health post in Ghandruk. During her visit in Ghandruk lots of ideas were shared which helped the staffs in Ghandruk a lot. Her visit helped to interchange the ideas and feel the necessity of a foreign staff nurse's visit in Ghandruk from time to time so that the staffs at Ghandruk will be updated with new ideas and technologies of nursing.

During her visit in Ghandruk, she donated a projector and a speaker which is useful in doing the awareness campaign and an autoscope, an ophthalmoscope, 2 bp sets, self adhesive labels, flexible retention tapes, asthma inhealar (space chamber), posters and files were also donated. Her visit in Ghandruk health post had been a fruitful for all the staffs at health post.

Few snaps of Sarah's activities during her visit at the Ghandruk Health Post.
